The Presidents Message

Sisters,

Where has the year gone? Schools are in the last month before summer break and are ready to compete the testing for the year. Students are waiting for vacations, swimming, and sleeping late. Teachers are looking forward to the break and planning for the next school year. I read that Timpson ISD is planning on a 4-day week next year, and that will bring on new challenges for staff, parents, and students.

What are your plans for the month of May? The leading expert, goggle, has some suggestions:

May 1 is National Teachers Day. What can you do to show appreciation to the teachers in your area?

May 4 – May the fourth be with you! Celebrate with Disney for Star Wars.

May 8 is Mother’s Day. Give thanks for these women who have shown love, patience, and understanding to their children.

May 9 May Meeting of Delta Gamma. Your presence will be celebrated.

May 30. Memorial Day. Celebrate the armed forces and remember those who have died serving their country.

As we go into summer, please take time to think of this past year of our chapter, and let’s evaluate the year for ways to make our chapter stronger. The programs presented this year have all been good and thank you Wendy for your hard work. My goal for this next year is finding ways to make our chapter stronger, and our sisters to become supportive of each other.

Our meeting is scheduled for May 9 and will be at the Center High School Culinary Department. Remember to send your Secret Sister a card, email, or phone call to reveal yourself as their secret sister.

See you in Center,

Madeline Gill, President

Shelby's Bridge was chosen as the unifying project this year in Lubbock 2022. If you would like to donate gift cards to help with this project, please bring them to our meeting. Madeline and Carol will deliver them for us. This project helps teens and young adults with learning disabilities discover skills to help them lead an independent life in their future. If you would like to know more information on this very worthwhile project that has been undertaken, check out www.shelby'sbridge.org or check out their Facebook page.

Mr. Heath Hagler, Director of the Roughrider Academy in Center, Texas, was our guest speaker for the evening. Hats off to the work being done to motivate, challenge and succeed with these students through graduation and beyond. I would say the future is looking very bright for them.
