Presidents Message

Sisters,

I hope everyone is having a great summer, even though it is 100 degrees outside. July 1 is the date for new officers to place the officer hat upon their head and kick off the year to a great start. The Delta Kappa Gamma International Society has a strong history in women’s education, and DKG will hold its unique history and endeavors if we step up and climb aboard for the journey. My ticket as President is ready, but we need a full ship as we journey forward to gain new members. Let us step up to the challenge.

Carol and I attended the Delta Kappa Gamma convention in Lubbock, and had a good time. Long drive, but the companionship helped. The convention was fun, informative, and interesting. I thoroughly enjoyed the Presidents Training and learning more about our organization. Our Sisters were very generous in the amount given to the unifying Project, Uvalde, and the Emergency Fund. It was reported that Texas has 227 chapters, with a total membership of 6,296 sisters. At convention, there were 625 members in attendance, with 28 guests, for a total of 653.

Dr. Helen Popovich, DKG International Representative was in attendance and spoke at several training sessions about the amendments of DKG Constitution that will be discussed at the International Convention in New Orleans later this summer. She is an extremely smart woman, a gifted speaker, and I think she lives and breathes DKG! A great person to be like when I grow up.

The Summer Workshop will be on July11, at 2:00 p.m. at the lake house of Phyllis Griffin. Please join us and help us plan a new and interesting year. Carol has been hard at work organizing some programs, and they all sound first rate.

Please let your courtesy chair know if you will be able to attend.

Executive Committee will meet at 1:00 p.m. for their meeting.

Stay Cool

Madeline Gill, President

Carol and I would like to thank the Chapter Cheerleader who sent us to convention with our own parade. We had sparkles, flag waving, and hand waving by cheerleader on highway 84. Can you guess? Who would do that at 6:00 a.m.? Fannie Watson! I hereby proclaim her the Cheerleader of Delta Gamma!

Thank you Fannie!!!

Happy Birthday
